## PURCHASE A PGK VALUE CARD

If you are not already a PGK Value Card holder or you wish to purchase a different card level you can do so using the app.

Select SIGN UP NOW and complete the sign up process with your name, email address and phone number. You will be asked to verify that it's you as above.

# Sign Up!

Complete the form below and click Sign up to continue.

Once verified you will be able to view three Play Golf Kelowna card types - Now & Again, Frequent and Addicted and purchase the card that is right for you.

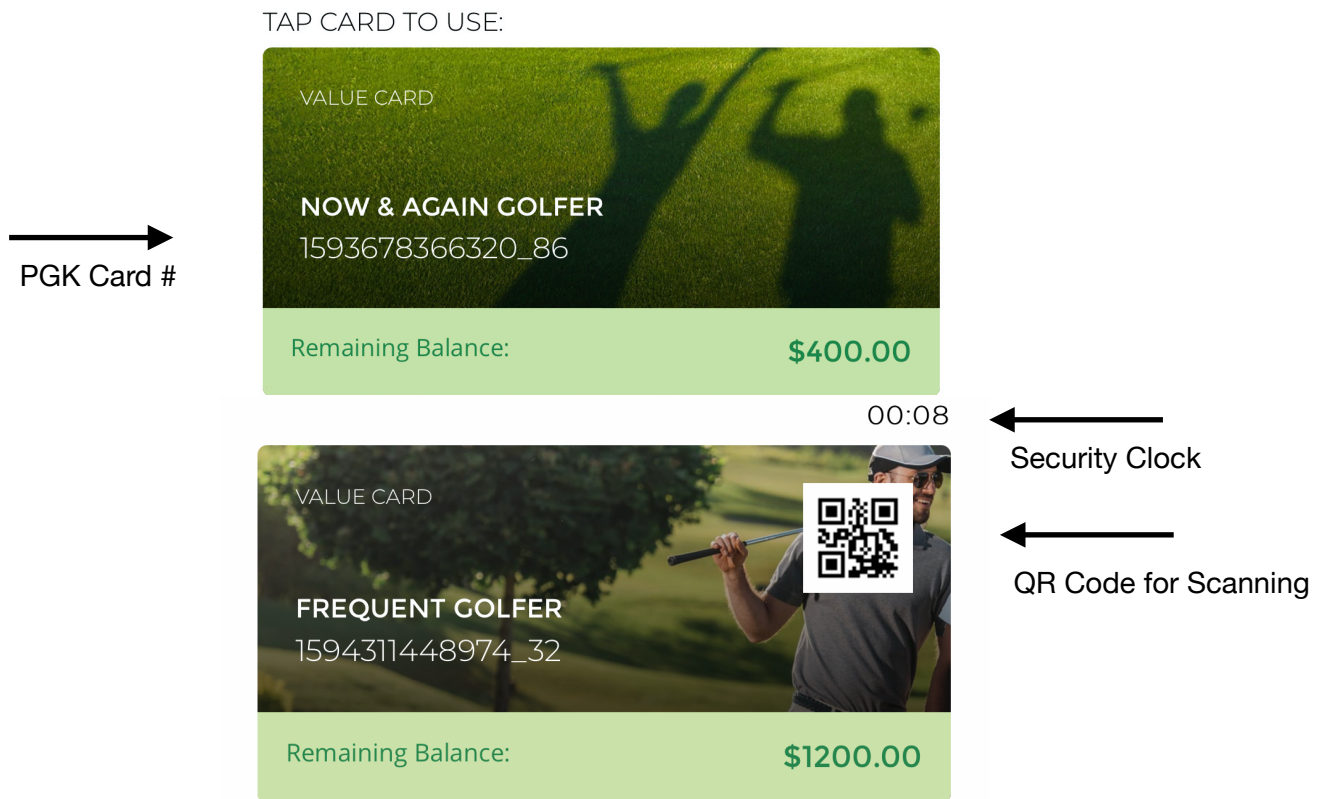

Please note: Value Cards for **35 & Under Golfers** MUST be purchased in person so that we can verify your age. Once purchased they can be re-loaded through the app.

## REDEEM YOUR PGK VALUE CARD BALANCE

All four Kelowna based partners courses as well as our affiliate course - Salmon Arm Golf Club - now have scanners that will accept your PGK card QR code from the app. There is no need to carry a physical card with you any longer!

If you visit a partner practice facility and they do not yet have a scanner available, your balance can be redeemed using the 15 digit card number visible on the app.

The running clock counter is a security measure to ensure that each card is valid and connect to a smartphone, not a screen shot.

If you have any difficulty connecting or reloading your card, if you have further questions about the PGK mobile app integration, or if you have questions about any of the partner golf course apps, please visit or call one of our golf shops directly.
